# What to expect from your **Regal** Holiday Home

Once you have chosen your ideal holiday home from the comprehensive Regal Holiday Homes range you can be assured that your holiday home will match your expectations. This is then backed up by our comprehensive warranty.

## Real Choice

With contemporary styling throughout the range there is a Regal Holiday Home for every customer, ranging from 12ft models to luxury 14ft models.

## Superior Seating

All 2017 Regal Holiday Homes come with high quality seating designed for your comfort. All fixed seating comes with reflex foam cushions whilst free standing sofas and armchairs come with luxury fibre filled cushions.

## Stain Resistant Carpets

All Regal Holiday Homes come with easy care stain resistant carpet, containing 100% polypropylene fibres enhanced by 8mm **TREDAIRE** underlay.

## Latest Technology

Ranging from ceiling speakers with Bluetooth connectivity to practical USB sockets, Regal Holiday Homes ensure the latest technology is installed throughout our range. Our caravans are designed using CAD technology interfacing seamlessly with our state of the art furniture machinery.

## Energy Efficient

All Regal Holiday Homes are fitted with low energy lighting as standard and energy efficient condensing boilers.

## Superior Fabrics

All of our fabrics have been put through rigorous testing for durability, longevity and prolonged use.

## Warranties

At Regal Holiday Homes we take great pride in the level of service we offer our customers after they have purchased one of our holiday homes and support this with a warranty cover designed to provide peace of mind.

## Contemporary Furnishings

The Regal Holiday Homes design team continually follow the latest furniture ideas to ensure our bespoke furniture reflects current trends.

## Branded Appliances

You can be assured that every Regal Holiday Home contains recognised branded appliances to ensure our products meet the right quality standard.

## Your Safety Assured

At Regal Holiday Homes we are committed to providing the very best in comfort and safety for our customers. Our models are designed and built in accordance with British and European standards EN1647 and EN1949 or BS3632 and are certified by the National Caravan Council (NCC).

## Shower Enclosures

All Regal Holiday Homes are produced with fully enclosed shower cubicles ensuring no water comes in direct contact with the ceiling or wall.

# Symphony Lodge

The magnificent Symphony remains as popular as ever, with BS3632 Residential Specification as standard. At 41' x 14' the Symphony Lodge remains the flagship Regal model, blending together style and function, light and space, innovation and design all in perfect harmony.

The lounge is elegantly designed with new lighting for 2017. The large windows and French doors provide panoramic views of the outside. The neutral colours benefit from the splash of deep purple across the home and the stylish lounge display unit in dark wood contrasts with the high gloss cream storage cupboards beneath.

## Symphony Lodge

The large kitchen with integral breakfast bar is designed to be flooded with light, from both the full-length windows and the roof light above. The well-planned, fully fitted kitchen is enhanced by the high gloss marble effect worktop, designer cooker hood and large American style fridge freezer.

The lofty 9ft ceiling height increases the already spacious feel of the home. With a breakfast bar, separate wine cooler, wine rack and a formal dining table, the Symphony Lodge is ideal for entertaining.

## Symphony Lodge

The clever use of space continues into the master bedroom with its large en-suite and feature headboard with touch sensitive lights. Light is maximised through the full length windows and the stylish illuminated bathroom mirrors, giving Hollywood glamour to any morning.

*Optional luxury bed throws and cushion set shown*

# Hamilton Lodge

With new fabrics and furniture colours for 2017 this large 41 x 14 holiday home continues to impress. The kitchen blends style and practicality while the grey high gloss cabinets add that touch of class. The breakfast bar is the perfect size for food preparation, quick meals or relaxing with a glass of wine chilled from the inbuilt wine cooler, while the American style fridge freezer will keep everything cool. Integrated appliances include a pull up multi power unit with Blue Tooth connectivity for your entertainment. A 5 burner hob, under cupboard LED strip lights and designer cooker hood provide those finishing touches.

# Hamilton Lodge

The contemporary tall radiators, free standing sofa and armchairs plus modern electric fire are complemented by the traditional style fire surround.

Stepping into this home feels like entering a continental apartment, whilst the large sliding patio doors provide plenty of space to enjoy your views to the maximum.

# Hamilton Lodge

The Hamilton Lodge meets BS3632 Residential Specification as standard, making it suitable for year round holiday use. The master bedroom with large kingsize bed and designer headboard ensures your complete rest and relaxation. The spacious built in wardrobes and en-suite shower room (included as standard to the 2 bed model), give a spacious feel to this holiday home.

*Optional luxury bed throws and cushion set shown*

# Harlington

New for 2017 the Harlington provides class and quality to a stylish holiday home. It is comprehensively equipped, bringing together contemporary looks and inspired design, quality construction and superior specification and is available with the option of BS3632 residential specification if required.

The sumptuous Harlington encompasses a 13ft wide layout providing plenty of room to relax in this spacious holiday home. The large full height windows are ready and waiting for a decking area for you to enjoy the view from the comfort of the 2 seater sofas.

## Harlington

Uniquely for its size the Harlington has a separate entrance hall providing extra storage space, this leads to the open plan kitchen and modern living area with its central table and chairs perfect for informal dining.

An integrated fridge freezer and built in microwave guarantee that the Harlington is packed with all the features you would want from your holiday home.

# Harlington

The master bedroom continues the contemporary theme, with an elegant colour scheme for the curtains and the optional bed throw. A practical vanity area with mirror and shelving finishes the room off perfectly, giving all the comforts of home. While an en-suite toilet is standard, an option of en-suite shower is also available in the 2 bed model.

# Somerton

New for 2017, the Somerton is a sumptuous holiday home designed with a rich feel to it. The large front windows and French doors flood the living area with light, which is enhanced by the natural dark wood colour scheme. With feature display cabinets and bookshelves the Somerton offers plenty of attractive storage, while the cosy flame effect electric fire completes the living room.

# Somerton

The superb kitchen is tastefully finished with functional dark worktops, enriched by the high gloss cream cupboards with integrated microwave, fridge freezer and a separate eye level oven offering a high specification to this very desirable holiday home.

Style is at the forefront of the Somerton's design, made without compromising practicality. The high standards of Regal Holiday Homes design is reflected in the models use of space and inclusion of integrated storage. Comfort is catered for via the large 3 seater sofa and single armchair providing the base to unwind and enjoy your holiday time.

## Somerton

The large master bedroom boasts luxury usually found in more expensive holiday homes. With en-suite w.c, bedside wall lights, dressing table, large walk-in wardrobe and full width headboard, the Somerton is comfortable, practical and reminiscent of a boutique hotel. For the finishing touch luxury optional bed covers and pillows are available in matching patterns to the curtains.

*Optional luxury bed throws and cushion set shown*

# Kensington

The Kensington colour scheme has been updated for 2017 enhancing this popular and expansive 13ft wide layout. The Kensington provides room for unwinding and enjoying your holiday time. Available in two and three bedroom layouts the Kensington has a spacious feel combining modern living with all the practical detail included. The lounge is in a light wood finish, complemented by two fitted sofas that provide plenty of room to kick back and relax. The large feature front window with optional outlook doors is designed to maximise the external views and light while providing practical access to your outside space.

# Kensington

The kitchen layout has been designed for ease of use with everything to hand including cooker with separate grill, a large integrated fridge freezer and ample storage space. The breakfast bar adds more worktop space as well as an informal dining area to supplement the freestanding dining table and chairs.

*Optional microwave shown*

# Kensington

The inviting, light and airy master bedroom in the two bed model has the option of adding a shower or bath to the en-suite and the large walk-in wardrobe combined with the dressing table ensures the main bedroom is both pleasing on the eye and practical in use.

# Elegance

Inspired by a classic country style, the inviting new Elegance features rustic colours and a warm wood effect theme throughout, creating a bright and contemporary home. Light pours into the living area through the large front window; or optional French doors, framed by the traditional style check curtains. The pleasing symmetrical window placement in the lounge and kitchen allow flexibility in plot placement, as views can be enjoyed on all sides.

# Elegance

Stepping into the home, you are amazed at the spaciousness of the kitchen, which features a freestanding dining table, integrated fridge freezer and cooker. Attractive wood effect worktops in the kitchen are enhanced by the subtle pastel colour of the cupboard doors, whilst the ample storage cupboards and large open shelving add to the practicality of the kitchen.

*Optional microwave shown*

# Elegance

A good nights sleep is guaranteed in the Elegance, with a large master bedroom housing a king-size bed and high quality mattress. Space is used effectively with a practical mirror and vanity unit at the foot of the bed. Housing spacious wardrobes and an en-suite w.c, the bedroom completes the impression of the whole home, with an elegant blend of usability, luxury and style.

# BUILD SPECIFICATION

## Your safety assured

At Regal Holiday Homes we are committed to providing the very best in comfort and safety for our customers. All of our models are designed and built in accordance with British and European standards EN1647 and EN1949 or BS3632 and certified by the National Caravan Council (NCC). Fire extinguisher, smoke and CO detectors are all fitted as standard.

### CLADDING

A choice of external cladding is available, including anti-scratch aluminium, rigid vinyl, wood effect Canexel, timber loglap and cedar. See page 52.

### PVCu WINDOW SYSTEMS

By providing double glazed windows with a sealed unit depth in line with those found in domestic buildings we believe the insulation properties on our holiday homes are among the best in the industry. Domestic standard PVCu double glazed windows and doors are provided as standard on the Symphony Lodge, Hamilton Lodge, Harlington and Somerton models. Single glazed windows are provided as standard on the Kensington, Elegance and Tempo models with the option of double glazing if required.

### APPLIANCES

All current Regal models are fitted with branded appliances where applicable, including: built in gas cookers, modern electric fires and fridge freezers.

### THERMOSTATIC SHOWERS

All of our showers are fitted with thermostatic mixer valves as standard for your added safety and to prevent scalding.

### GAS FIRED CENTRAL HEATING

Available as an option in the Kensington, Elegance and Tempo models and standard in the Symphony Lodge, Hamilton Lodge, Somerton and Harlington models, central heating provides all round comfort. Our central heating systems contain condensing combination boilers which offer better efficiency, economy and include a specification in line with domestic requirements.

### CHASSIS

A fully galvanised chassis is standard on the Symphony Lodge and the Hamilton Lodge. A pre-galvanised chassis is standard on the Harlington, Somerton and Kensington and is available as an option on the Elegance and Tempo.

### ROOF CONSTRUCTION

The dual pitch rafter used on all of our roofs has been successfully tested and approved up to a grade D snow loading. Our holiday homes all have a dual pitch rafter with a minimum 100mm fibre insulation, a breathable moisture resistant membrane and Versasteel plastisol tile effect roof sheets.

Much of the strength in our dual pitch roof is derived from the fact that we build all of our roofs in one piece providing extra strength.

### EN1647 WALL CONSTRUCTION

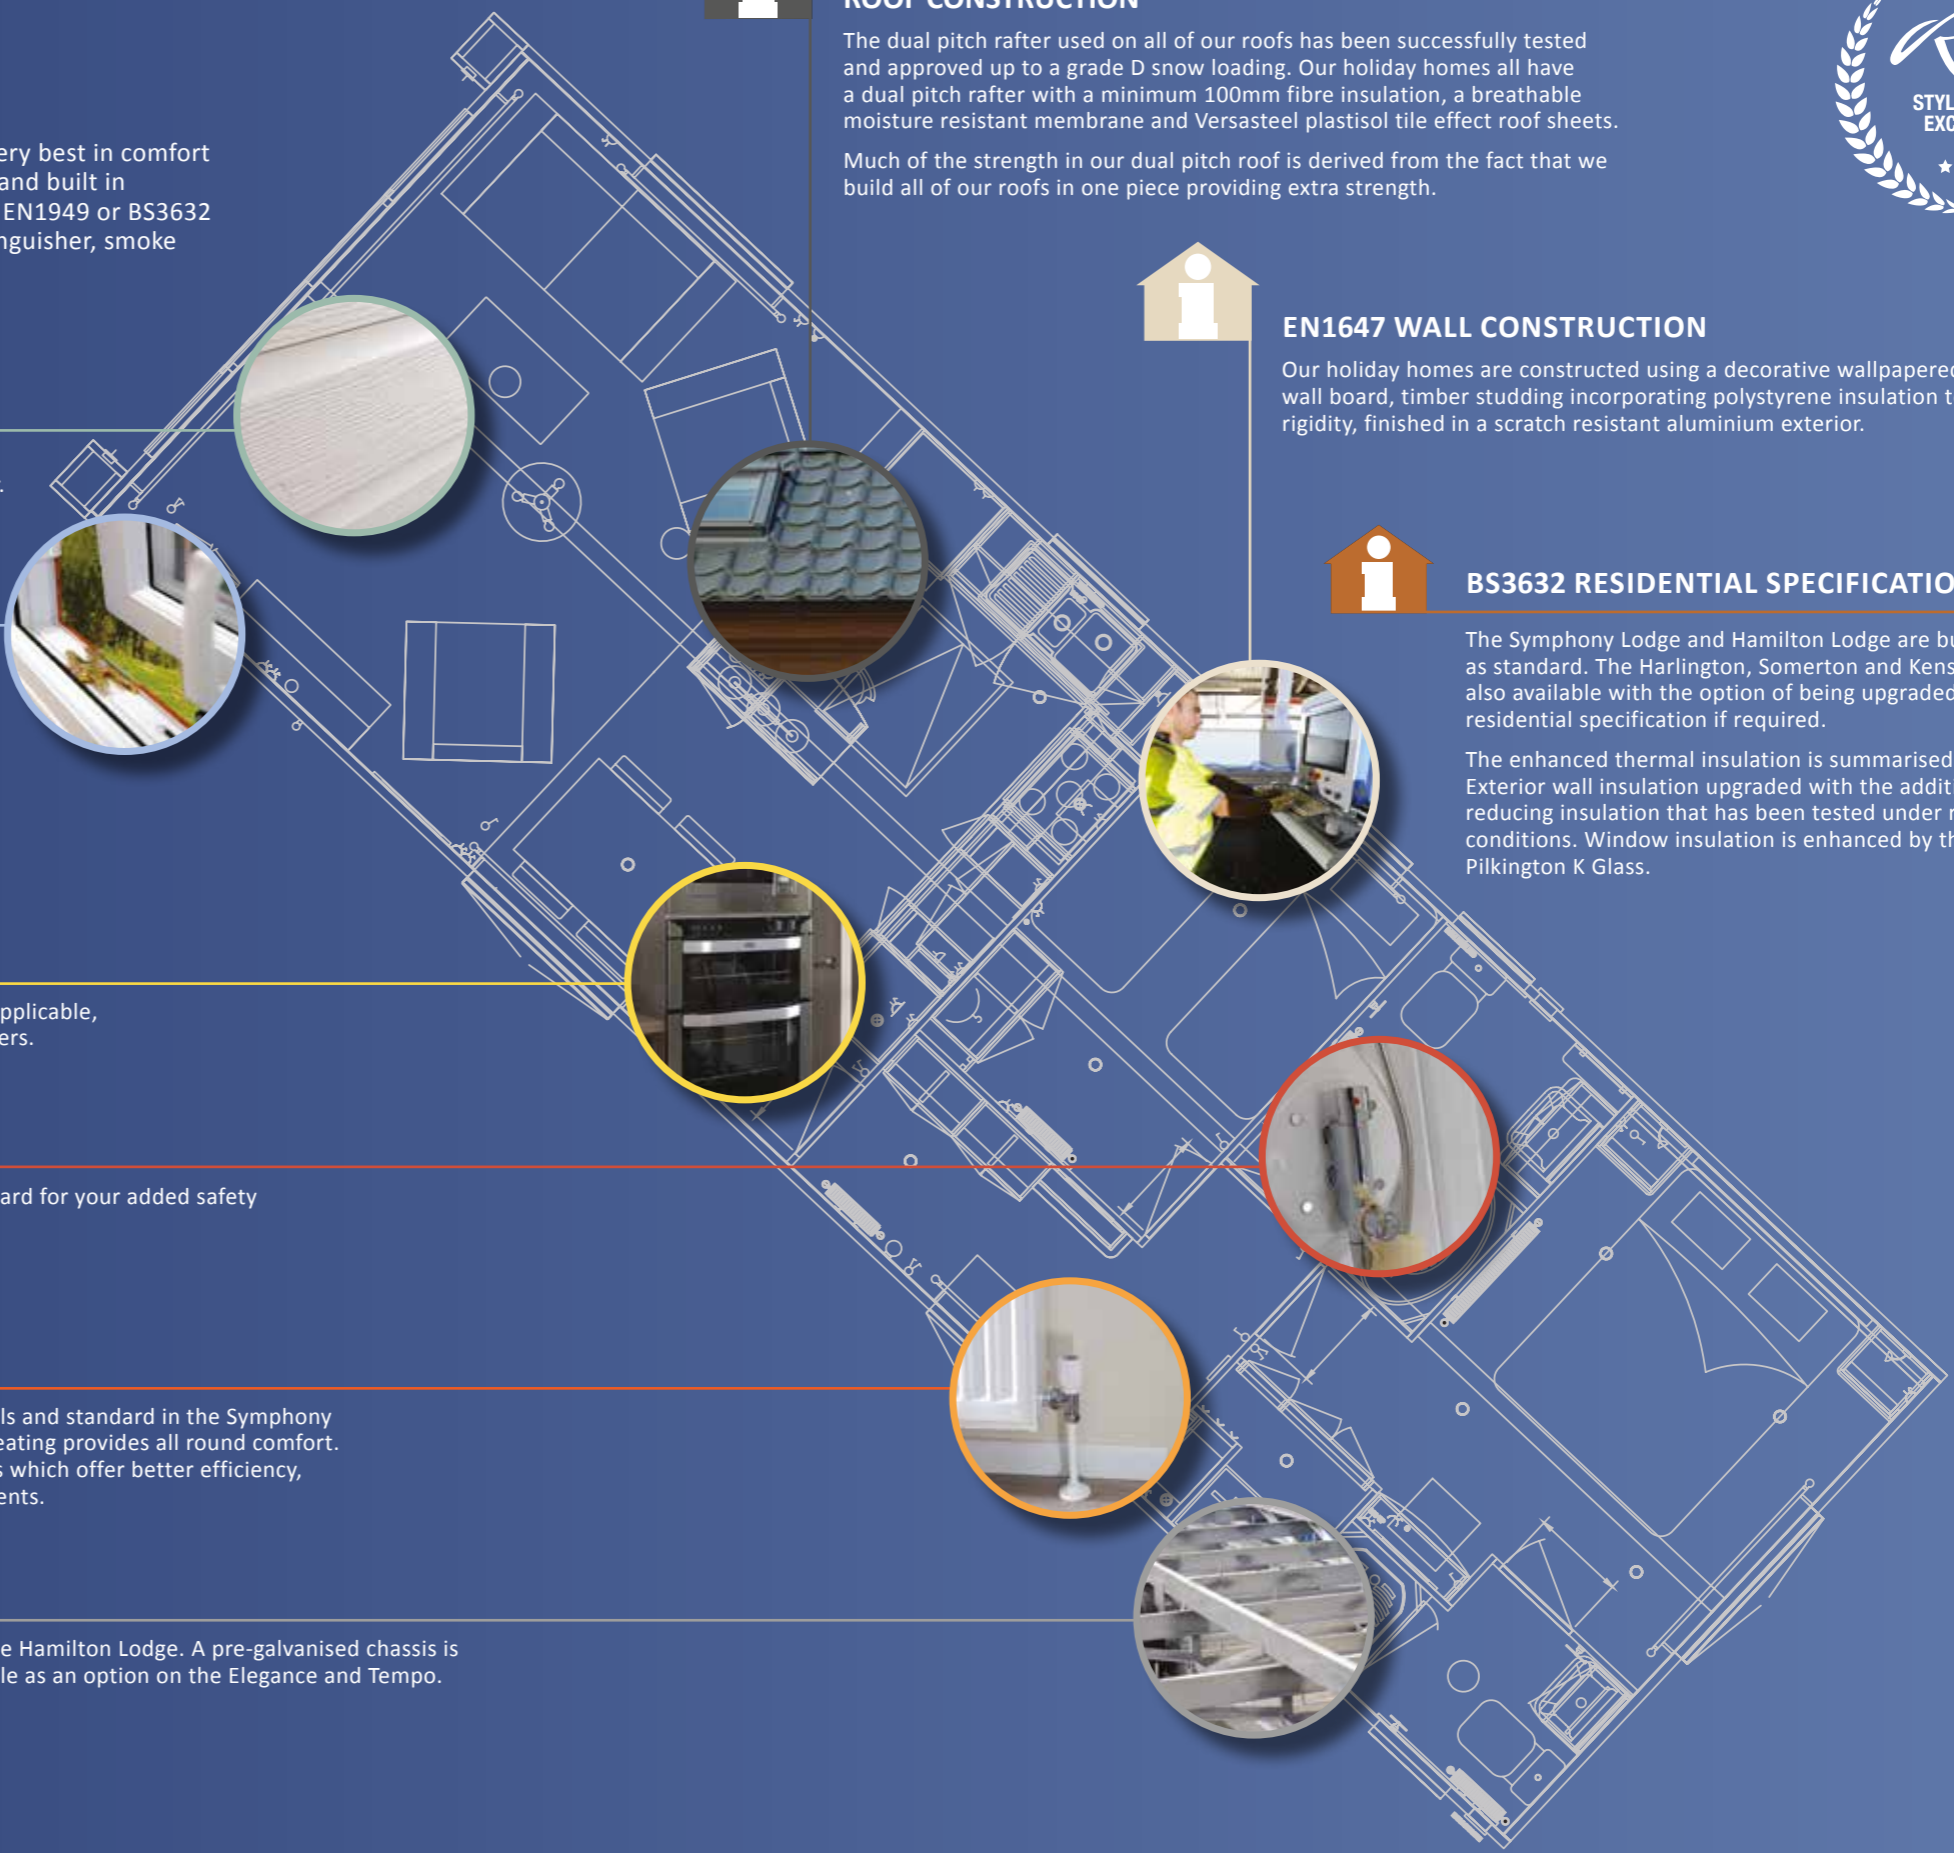

Our holiday homes are constructed using a decorative wallpapered internal wall board, timber studding incorporating polystyrene insulation to assist rigidity, finished in a scratch resistant aluminium exterior.

### BS3632 RESIDENTIAL SPECIFICATION

The Symphony Lodge and Hamilton Lodge are built to BS3632 as standard. The Harlington, Somerton and Kensington are also available with the option of being upgraded to BS3632 residential specification if required.

The enhanced thermal insulation is summarised as follows: Exterior wall insulation upgraded with the addition of a sound reducing insulation that has been tested under regulated conditions. Window insulation is enhanced by the addition of Pilkington K Glass.

# Your PEACE OF MIND

At Regal Holiday Homes we take great pride in the level of service we offer our customers after they have purchased one of our models and support this with a warranty cover designed to provide peace of mind.

## WARRANTY SCHEMES

### Two year warranty

Given our reputation within the industry for producing a quality product we offer a two year warranty on all of our holiday homes (excludes appliances which are provided with manufacturer's warranty) from the date you take ownership of your new holiday home, subject to certain terms, conditions and exclusions.

The full details of this warranty can be obtained by contacting our Customer Service team or by contacting one of our approved distributors.

### Six year structural warranty

In addition to the 2 year full warranty, to provide you with increased peace of mind we offer a further 4 years of warranty cover on specific structural items, subject to certain terms and conditions.

Our warranty covers issues arising from faults and defects during manufacture and excludes issues arising from causes such as wear and tear. Our warranty applies to the first owner of the holiday home.

## AFTER SALES SUPPORT

At Regal Holiday Homes we are proud of our reputation for good service and believe in looking after our customers. We believe that a satisfied customer is more likely to purchase another Regal Holiday Home when the time comes to replace their existing holiday home. Our dedicated aftersales team work hard to ensure customer satisfaction.

## BED GUIDE

✓-Standard O-Optional

**Quality mattress** Given that we spend a third of our lives in bed we believe it is worth investing in quality mattresses. That is why a Regal Holiday Home comes with a quality mattress as standard.

**Lift up bed** Our storage beds offer an innovative solution if you require additional valuable space.

## OPTIONAL BED PACK

We are pleased to offer two optional bedding packs.

**Standard pack:** co-ordinated bed runner for each bed and two scatter cushions for the double bed and one scatter cushion for each single bed.

**Luxury bedding set:** luxury bed throw for each bed, bed runner for each bed, two scatter cushions and co-ordinated pillow cases for the double bed and one scatter cushion and pillow case for each single bed.

## TAILORED TO SUIT YOU

Regal Holiday Homes are delighted to offer our customers the opportunity to tailor your holiday home to suit your individual taste.

From the outside to the inside we offer the following options:

**Exterior cladding** - subject to restrictions on your park your holiday home can be clad in aluminium, rigid vinyl, log lap, cedar or Canexel. The range of Canexel colours can be seen on page 53. Rigid vinyl is available in cream, grey or green. Please refer to your holiday park for details of restrictions on the cladding that may be chosen. Additional costs may be incurred.

**Internal specification** - we are delighted to offer the opportunity to substitute the furniture wood colour, curtain fabric and upholstery from one range to another subject to additional charge.

## THERMAPLUS

### HOLIDAY THROUGHOUT THE YEAR WITH OUR ENHANCED THERMAL PACKAGE

Thermaplus is Regal's newest and best additional option for adding extra insulation to your home. The package includes increased wall and floor insulation, an extra 50mm of fibre glass roof insulation and Pilkington "K" glass, the UK's market leader for glass in windows and doors.

The Thermaplus package could not only save you up to 20% on heating bills (compared to standard holiday homes) but also reduce outside noise levels. Thermaplus is available on all caravan holiday homes.

## EXTERIOR CLADDING

A choice of Canoxel cladding options is available for all models. This exterior wood effect cladding improves the aesthetics of the holiday home. Please visit [www.regalholidayhomes.com](http://www.regalholidayhomes.com) for more information.

## DOUBLE GLAZING

All caravan holiday homes lose heat through their windows, but Regal Holiday Homes energy-efficient glazing keeps your holiday home warmer and quieter as well as reducing your energy bills. In addition to a smaller carbon footprint energy-efficient glazing reduces condensation build-up on the inside of windows.

For added security all of our windows come with espagnolette locking mechanisms as standard.

## SUPERIOR SEATING

### Superior Seating

All 2017 Regal Holiday Homes come with high quality seating designed for your comfort. All fixed seating comes with reflex foam cushions whilst free standing sofas and armchairs come with luxury fibre filled cushions.

### Superior Fabrics

All of our fabrics have been put through rigorous testing for durability, longevity and prolonged use. The fabrics used in our holiday homes all have a minimum Martindale Rub Test well in excess of the general domestic British standard.

## SAFETY FEATURES

In order to ensure your safety when enjoying your Regal Holiday Home, all ranges come with the following standard features

- Fire extinguisher
- Smoke alarm
- Carbon Monoxide (CO) detectors
- Emergency escape window(s)
- Flame and match retardant soft furnishings
- Toughened glass to required areas
- Thermostatic shower and tap mixers

## FREQUENTLY ASKED QUESTIONS

### Where can I find out the external dimensions of each holiday home?

All of our external dimensions are available to view on our website [www.regalholidayhomes.com](http://www.regalholidayhomes.com)

### How is the caravan transported to the park I have chosen?

The holiday park on which your holiday home will be sited will arrange the transportation of your Regal Holiday Home.

### Where can I view a Regal Holiday Home?

A list of our UK distributors can be found on our website [www.regalholidayhomes.com](http://www.regalholidayhomes.com). The "where to view" section also lists parks where our holiday homes can be seen.

### Is there a restriction on when I can use my caravan?

Usage of a caravan holiday home is determined by the site licence for the park you have chosen. Our caravans are not designed for year round use apart from models that comply to BS3632 Residential Specification such as the Symphony Lodge and Hamilton Lodge.

### Can you supply this model in green exterior colours?

All of our models can be supplied in environmental colour exteriors.

### Can I make alterations to my holiday home?

Before any additional equipment is fitted to your holiday home it is imperative that you discuss this with your local dealer/park operator as your warranty may be compromised. If additional equipment is fitted incorrectly or without due regard to the structure of the holiday home, this may invalidate your warranty.

### What size TV can I fit?

This is down to the individual TV you pick as they come in so many varying shapes and sizes. In general we suggest using up to 40" in the Symphony Lodge and Hamilton Lodge and up to 32" in the rest of our models depending on style. In the bedrooms we suggest using up to 22". The brackets must be compatible with the TVs you purchase.

If you have a question not listed above please pick up the phone, email or fax us and we will do our very best to answer any other questions you may have. Alternatively seek advice from your local Regal distributor or holiday park.

We're committed to reducing our impact on the environment as well as responsible sourcing and manufacturing, helping you to choose a more sustainable lifestyle.

The FSC logo identifies the fact that we produce holiday homes that contain wood from responsibly managed forests independently certified in accordance with the rules of the Forest Stewardship Council A.C
